

Meeting with Environmental Public Authority (EPA) – Kuwait on 4-May-2017

On 4-May-2017, Dr. Gaber (FESNS/FEAS) has met with Dr. Mohammed Dawood Al-Ahmed, Deputy Director General for Sector of environmental Monitoring Affairs at the Environmental Public Authority (EPA) of Kuwait, as part of his visit to Kuwait for exploring potential collaboration in the areas of energy and risk management for environmental protection.

EPA won regional and international prizes on advanced environmental monitoring and regulation automated systems, and it is expected to have potential collaboration in extending the capabilities and applications on clean energy, recycling, transportation, and sustainable communities.

From left Dr. Heba Mostafa, Dr. Nasser Ayoub, Dr. Mohammed Dawood Al-Ahmed, Dr. Hossam Gaber and Mr. Ahmed Al-Megahwy.
